Interpretive Ruling No. 00-1

PLUMBING PRODUCT APPROVAL REQUEST - GIBSON Steel FABRICATING

Initiated By: Darrell J. Gibson
Gibson Steel Fabricating, Incorporated
PO BOX 2851
247 Washington St.
Eugene, OR 97402
541-687-8672

REQUEST FOR RULING: Approval of the Gibson - 10 ga. 24" x 24" x 36" Steel Catch Basin.

APPLICABLE CODE SECTION: 1996 Oregon State Plumbing Specialty Code, Section 1108.0.

FINDINGS: Effective April 1, 1996, the Division adopted plumbing code provisions listing the standards for catch basins in Section 1108.0. The Gibson 10 ga. 24" x 24" x 36" Steel Catch Basin as submitted meets the provisions of Section 1108.0 of the 1996 Oregon State Plumbing Specialty Code.

CONCLUSION: The State Plumbing Board recommends the Building Codes Administrator approve Interpretive Ruling No. 00-1.

Lewis E. Seagraves, Chairman
State Plumbing Board

Date

The recommendations and findings of the Board are accepted and Interpretive Ruling No. 00-1 is approved.

Joseph A. Brewer III, Administrator
Building Codes Division
