Re: **Rescheduled board meeting to December 8, 2010 from November 3, 2010**

The Residential and Manufactured Structures Board meeting scheduled for November 3, 2010 is being rescheduled to allow for greater participation by board members in the code adoption process. This will also allow the division to include the late submission item already listed on the posted [agenda](#) for radon gas mitigation standards and to include the residential plumbing provisions. This new date provides the board and the public sufficient time to review all of the materials.

The date of the rescheduled board meeting is Wednesday, December 8, 2010, at 9:30 a.m., in Conference Room A, at 1535 Edgewater St NW, Salem OR 97304.

Please contact Richard Rogers, Structural program chief, at (503) 378-4472, or Debi Barnes-Woods, division boards coordinator, at (503) 378-6787 if you have questions.
