

STATE OF OREGON

INTEROFFICE MEMO

BUILDING CODES DIVISION

DECEMBER 6, 2005

To: Building Officials
c/o various local building department jurisdictions

From: Richard Rogers
Structural Program Chief

Subject: Rescission of Interpretive Ruling No. 93-32 "When Existing Buildings Must Be Insulated To Code"

The above-mentioned statewide interpretation which was issued in 1993, under the provisions of the OSSC, is hereby rescinded with immediate effect. This interpretive Rule was issued under a previous code and is no longer relevant.

If you have any questions related to this action, you may forward them to me at (503) 378-4472 or to Shane Sumption at (503) 378-4635.
