

**STATE OF OREGON**

**INTEROFFICE MEMO**

**BUILDING CODES DIVISION**

**MARCH 22, 2007**

To: Building Officials  
c/o various local building department jurisdictions

From: Richard Rogers  
Structural Program Chief

Subject: Rescission of Interpretive Ruling

This statewide interpretation was issued under the provisions of a previous code and is hereby rescinded with immediate effect. This interpretive Rule shall serve as a historical record of approved methods of construction for those buildings constructed under the previous code referenced in the Interpretation.

If you have any questions related to this action, you may forward them to me at (503) 378-4472 or to Shane Sumption at (503) 378-4635.
