Eligibility of Candidates

Form U10, the Uniform Examination Request for non-FINRA candidates, is designed for use by individuals not employed or associated with FINRA member firms who, as part of a registration process, have been specifically required by another regulatory authority to qualify by examination. (Persons seeking FINRA registration must be employed by or associated with a FINRA member firm. All examination scheduling for persons associated with FINRA member firms or firms applying for FINRA membership must be made by the firm on a Form U4.)

Responsibility rests with the candidates and their firms to: 1) ascertain directly from the appropriate regulatory authority specific advice as to which qualifying examination is required; 2) provide the necessary registration application to that agency in accordance with their requirements; and 3) determine what that regulator requires of them before the agency will provide FINRA with the necessary authorization to proceed with Form U10 processing and test scheduling.

FINRA assumes no responsibility for contacting another regulatory agency with respect to provision of the required authorization or the candidate’s choice of examination.
