## **STATE NEEDS TO HEAR FROM RESIDENTS WITH LITTY CONTRACTS**

(Salem) Consumers who purchased pre-need funeral service contracts from Litty Funeral Directors, of Brookings, should contact the Oregon Division of Finance & Corporate Securities to find out the status of their contracts. Curry County took possession of Litty's business properties for delinquent taxes earlier this month.

Litty Funeral Directors has also operated under the names Brookings Chapel, Gold Beach Chapel, and Sea Haven Cremation Services.

Anyone with a contract for pre-need services with Litty Funeral Directors or its affiliates should contact Gail Smith or Dale Laswell, with the Oregon Division of Finance & Corporate Securities, toll-free at 866-814-9710. The division regulates pre-need funeral service providers, along with other consumer finance companies and financial institutions.
