\*\*\* "Logging workers" and "Flaggers, construction" are Oregon-specific occupation categories created by the Oregon Department of Consumer & Business Services.

Accepted disabling claims are claims, accepted by insurers, arising from occupational injuries or diseases that entitle workers to compensation for disability or death.

Claims are listed according to the Bureau of Labor Statistics' Standard Occupational Coding, 2000 edition (SOC). Counts are based on the date the Department of Consumer and Business Services received notification that the claim was accepted, which may be different than the date of injury or illness.

- Dashes indicate no claims were received.

0.0 percent indicates the percentage of claims calculates to less than 0.05.

Source data are continually updated to be as accurate as possible, so report results may vary over time.
