Accepted disabling claims are occupational injury or disease claims accepted by insurers that entitle workers to compensation for disability or death.

Counts are based on the date the Department of Consumer and Business Services received notification that the claim was accepted, which may be different than the date of injury or illness.

Claims are listed according to the Occupational Injury and Illness Classification System (OIICS), 2007 edition.

NEC = Not elsewhere classified
 Uns. = Unspecified
 Other = Other OIICS category not listed
 - Dashes indicate no claims were received
 0.0 percent indicates a value less than 0.05

Source data are continually updated to be as accurate as possible, so report results may vary over time.
