Note: Standards violated have been summarized to the rule or first paragraph level and may therefore not reflect the complete standard cited by Oregon OSHA. This report is therefore not comparable to the published reports prior to 2008 where total counts and penalties were for the complete standard. The violation data for any calendar will not be complete until July 1 of the following year (e.g. for CY 2009 complete data will be available after 7/1/2010).

1. Industry is classified according to the North American Industrial Classification System (NAICS), 2002 edition.
2. Construction is classified as NAICS 23*.
