

Accepted disabling claims and workers' compensation covered employment in real estate and rental and leasing (NAICS 53), Oregon 2004-2008

The Real Estate and Rental and Leasing sector comprises establishments primarily engaged in renting, leasing, or otherwise allowing the use of tangible or intangible assets. This sector also includes establishments primarily engaged in managing real estate for others; selling, renting, and/or buying real estate for others; and appraising real estate.

Excluded from this sector are real estate investment trusts (REITS) and establishments primarily engaged in renting or leasing equipment with operators. REITS are classified in Subsector 525, Funds, Trusts, and Other Financial Vehicles. Establishments renting or leasing equipment with operators are classified in various subsectors of NAICS depending on the nature of the services provided (e.g., transportation, construction, agriculture).

Footnotes:

Accepted disabling claims are claims, accepted by insurers, arising from occupational injuries or diseases that entitle workers to compensation for disability or death.

Industry is classified according to the North American Industrial Classification System (NAICS), 2002 edition. Claims from employees of client leasing firms are reported in the industry in which the claimant was working at the time of injury.

This industry only includes claims and employees in the private sector. Establishments owned by state and local governments are categorized according to their respective ownership.

Employment figures are based on the Department of Consumer and Business Services' estimation of Oregon employment covered by workers' compensation.

Claims rates represent the number of accepted disabling claims per 100 workers.

Source data are continually updated to be as accurate as possible, so report results may vary over time.
