Dear Prospective Sponsor,

This is the sixth year for the **Blue Mountain Occupational Safety & Health Conference**. Last year was a big success and once again we are expecting more than 180 attendees and 10 exhibiting companies from Northeast Oregon and Southeast Washington. The Blue Mountain Conference is an excellent way for employers and employees to learn how to improve the management of their safety and health programs.

Sponsorships and in-kind donations will help keep the cost of the conference affordable. The registration fee for the event is only \$50 per person. Our theme for this year's conference is "**Preparing for World-Class Safety.**" We hope you will join us at the Pendleton Convention Center.

We look forward to your sponsorship of the Blue Mountain Occupational Safety & Health Conference slated for **Wednesday, June 13, 2011**, in Pendleton, Oregon.

Sponsorship information:

- All sponsors are recognized in the printed conference registration program mailed to approximately 500 business people (*with sponsorship received by March 2012*).
- All sponsors are recognized in a scrolling PowerPoint prior to the opening and during breaks.
- Sponsors of food events or conference sessions/speakers are recognized at that event.
